Case No. 05-44481(RDD)
Our File No. H105.0001.0001

Dear Sir/Madam:

This law firm represents Hitachi Automotive Products (USA), Inc. ("HAP"). It has come to our attention that Delphi Corporation and its United States subsidiaries or affiliates (collectively, "Delphi") filed voluntary petitions commencing cases under Chapter 11 of Title 11 of the United States Code (the "Bankruptcy Code"). Within the last 20 days, HAP delivered goods and supplies to Delphi, which were sold to Delphi on credit and received by Delphi at a time when we now believe Delphi was insolvent.

Demand is hereby made on behalf of HAP pursuant to Section 2-702 of the Uniform Commercial Code and Section 546(c) of the Bankruptcy Code, and/or other applicable law, for the return to HAP of all goods and supplies sold on credit to and received by Delphi from HAP on or after September 28, 2005 for which payment has not been made. Some or all of such goods and supplies are more particularly identified on Schedule 1 attached hereto. This reclamation demand is made without prejudice to HAP's right to make one or more subsequent such demands for the return to HAP of any goods and supplies not identified on the attached Schedule 1 that were sold on credit to and received by Delphi for which payment has not been made.

This letter serves as notice to Delphi that HAP asserts its demand to reclaim the aforementioned goods and supplies.

Such goods and supplies should be returned to HAP and should not be used or disposed of in any way.

Please contact the undersigned with any questions.

Very truly yours,

Brian D. Spector

BDS/kd
